

Maximize Your Power on the Job!

**Buy a FLIR Thermal Imaging Camera, Get
FREE Training, Software,
and a Test & Measurement Tool**

You rely on FLIR to support your daily work, whether you're searching for hidden moisture or checking HVAC/R systems for clogged ducts and air leaks. Now you can also rely on FLIR to add value to your tool bag through special bonus offers tailored to your needs.

FLIR is pleased to offer Test & Measurement tools, free training courses, and free software with the purchase of select professional-grade thermal imaging cameras. See the chart below for the qualifying cameras and gifts.

Buy:	FLIR E95	FLIR T540	FLIR T660	FLIR T1020
